A first impression

Tükörhegy has undergone an impressive development over the past decade and is now one of the most attractive residential areas in the Budapest agglomeration. Modern apartment complexes and detached houses offer comfortable homes for those who want tranquillity and premium living space. The well-maintained streets, sophisticated infrastructure and close-to-nature atmosphere guarantee a high quality of life.

In the best part of Törökbálint, with unparalleled views of Budaörs, this modern semi-detached house, built in 2019, is waiting for its new owner. The property is on two levels, completely separated from the neighbours, only touching at the garage.

On the lower level there is a bright living room with American kitchen, study and bathroom. From the living room and the study there is a direct exit to the 40 sqm terrace with Jacuzzi for maximum comfort. Upstairs, there are three bedrooms and a bathroom, and spacious balconies on both sides.

The house is air-conditioned in all rooms and is equipped with an alarm system, camera system, electric gate, shutters and mosquito nets. The property includes a detached garage and two surface parking spaces.

Central Budapest is easily accessible by car and public transport. Tükörhegy is a quiet, family-friendly residential area with excellent infrastructure: shops, schools, kindergartens and other facilities are within easy reach.

The steady rise in property prices ensures that your investment will remain a sound investment. Premium quality new build properties will further enhance the prestige of the area.

If you are looking for a home in an idyllic setting, don't miss this opportunity!
