A first impression

ASSAGO (MI) - FOR SALE INDUSTRIAL COMPLEX FOR INCOME WITH THE POSSIBILITY OF FREE IMMEDIATELY In Via Verdi, in the heart of the industrial area of Assago (MI), we offer for sale an interesting industrial complex consisting of warehouse, offices, apartment with large terrace and private courtyard. On the ground floor there is an industrial shed of about 450 square meters with a useful height to the beam of 4 meters, equipped with an office, two toilets and a laboratory. An internal staircase leads to the second floor where there is an additional office of about 35 sq m, and with another staircase, there is access to a warehouse of about 27 sq m (with a height of 2 meters), which is not habitable and is currently used as a materials storage room. Next to the entrance to the shed, with independent access, is an apartment (cadastral category A/3, but currently used as an office) of about 220 sq m, consisting of a livable kitchen, two bathrooms, a storage room, and four large rooms (18 sq m, 21 sq m, 18 sq m, and 50 sq m, respectively). The largest room could become a double living room with a dining room. The apartment is also connected to a large terrace of about 220 sq m, usable for multiple needs. The property is completed by a courtyard of about 720 sqm that surrounds the building on three sides, providing easy access, maneuvering and parking. The property is currently leased to a company in the fixtures sector, with a 6+6 commercial contract in place until May 2033. Current yield: € 28,000/year, increasing to € 32,000/year from 2028. Possibility of free handover on deed: in case of need of the buyer, the property is willing to bear the payment of the penalties provided by law (amounting to about 30 monthly payments) to terminate the lease early, freeing the property for direct use. Asking price: € 1,200,000.00 Excellent income investment or ideal solution for manufacturing and/or logistics activities.
