A first impression

Majestic project to build a large luxury villa with swimming pool in the most exclusive area of Palma de Mallorca in Son Vida. The excellent location offers tranquillity, privacy and a high standard of living for its residents. Son Vida, with its famous 18-hole golf course and spectacular panoramic views, is a jewel of an urbanization within walking distance of the center of Palma.

The large project offers approx. 553 m² of living space, plus terraces of approx. 380 m² and is distributed over three floors including the basement. On the first floor there is a large living/dining room with a magnificent open kitchen, a pantry, a double bedroom with en-suite bathroom and private dressing room and a guest WC. On this level you have access to a huge, partly covered terrace with outdoor dining area, a large sun terrace to enjoy the sunny days and of course a fabulous swimming pool of approx. 78 m². On the second floor there are four double bedrooms, two of them with their own dressing room and terrace, four en-suite bathrooms and a charming living room. In the basement there is a double bedroom with en-suite bathroom and dressing room, a spa room, a sauna, a fitness room, a movie theater, a guest toilet, an engine room and a storage room. All floors offer magnificent views of the sea. Outside the house there is a large garage for several vehicles, some additional parking spaces and a beautiful green garden with a variety of plants. The price includes the preliminary project designed by a well-known architect and the building plot, with further construction and planning work not included in the price. The connection to the sewage system is already in place and the building permit can therefore be applied for at the building authority. A true jewel of the Mediterranean! Don't miss this great opportunity!
