Welcome to Elite Residence, a modern luxury haven in Agios Stefanos. This exquisite home is part of a private complex of five maisonettes, spread across three spacious levels—basement, ground floor, and first floor. With three generous bedrooms, a flexible guest room that can double as domestic quarters, and two private open parking spaces, this home offers both comfort and practicality. Imagine cozy evenings by the energy-efficient fireplace, with VRV air conditioning and floor heating ensuring year-round comfort. The thermal facade, 3-plex windows, and green views enhance both energy efficiency and tranquility. Hidden lighting and ambient LEDs create a serene, inviting atmosphere, while solar water heaters and heat pumps reflect the home's eco-friendly design. Outside, a private garden offers a peaceful retreat, and with a pending swimming pool installation, your outdoor space is poised for even more enjoyment. Located in the quiet area of Agios Stefanos, Elite Residence blends modern luxury with functionality, offering a sophisticated lifestyle.
